The Valedictorian and Salutatorian of Ontario High School contributed much to the school. Both Linda and Genevieve discovered that hardwork was balanced by social activities. Both showed their school spirit in classes as well as at games. Both girls joined many other activities. The one that they were proud of was the National Honor Society.

Reverend Robert Barr, Mr. Casad,
and Mr. Edmund, watch as Mr. Downs
presents diplomas to the graduates.

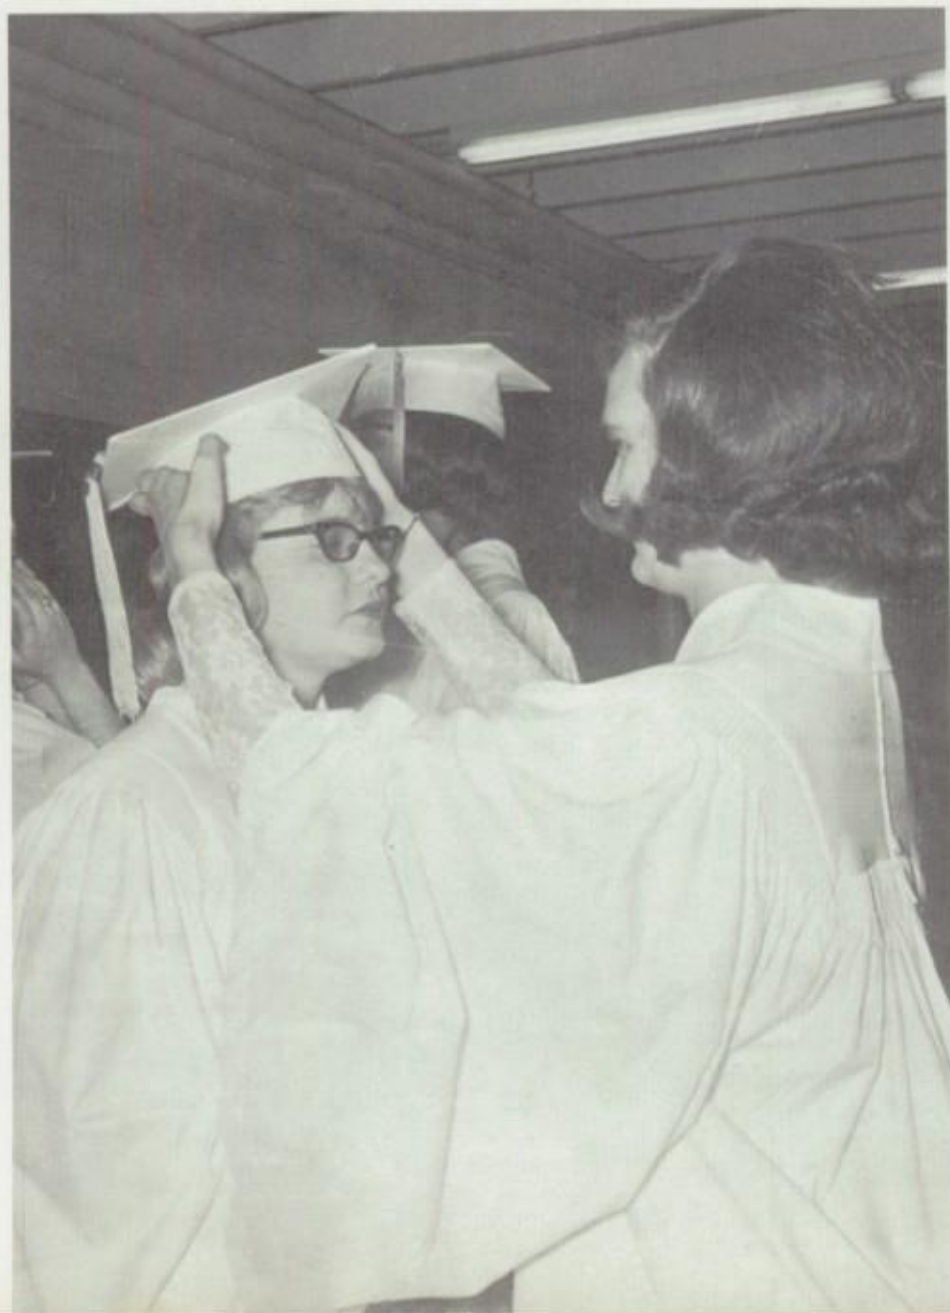

Beneath cloudy skies on the evening of June 3, 1966, the relatives and friends of one hundred and twenty graduates gathered at Warrior Stadium. The speaker for the evening was Mr. Willis H. Edmund, Executive Consultant in the field of public relations for the Goodyear Tire and Rubber Company.

Suddenly it is the end of school. The time has whizzed by in an endless procession of tests and term papers. For some students, it is just the end of another year, but, for the graduating class of 1966, it is the beginning of a new life.

THE BOARD SETS SCHOOL POLICY

An essential part of the administration is the group of outstanding men who compose the School Board.

Their objectives are the setting of school policy, the fostering of Community interest in the school system, and the purchasing of supplies. The latter demands good economic reasoning and a non-bias attitude.

Mr. Daugherty - Clerk

Mr. Rummel is the administrative head of all departments of the school system and is the final responsible official in all matters of the Board of Education.

Mr. Rummel has been Superintendent of the local schools for six years and has warmed the hearts of all those students around him with his tremendous sense of humor.

Mr. Rummel - Superintendent

MR. RUMMEL HEADS SCHOOL DISTRICT

Mrs. Schurtera - Secretary

Mr. Casad is responsible for the welfare of all the pupils who attend O.H.S. He must co-operate with the teachers in the matter of discipline and counseling.

His congenial personality makes the school a pleasant place to work.

Richard Casad

Principal

CHIEF OF OHS

Juanita Breinich

School Secretary

In today's jet age of science, teaching school is much more than the 3 R's.

America has become a technical "world" that grips everyone.

This faculty reflects the epitome of education for every student who enters the halls of O.H.S.

He came to Ontario immediately following his graduation from Cedarville College where he earned a B. A. Degree.

Mr. Strick's position in the schools was not only a mere job, but a way of life.

The young people of this school district can learn much from his bravery and fortitude and his complete dedication to his profession.

Relaxing near the fountain

"Hello Young Lovers" proved to be a memorable night. Time on fleeting wings brought the most colorful social affair of the school season to a close. Not only was it the end of the prom, but also the conclusion of a romantic farewell for many seniors of the Class of 1966. The success of the "last fling" will long be remembered.

Graduates leave the stadium ready to meet the world.

Mr. Willis Edmund, Speaker

The graduating class of 1966 applauded loudly as Mr. Willis H. Edmund arrived at Warrior Stadium nearly fifteen minutes late. Mr. Edmund explained his tardiness to the good-natured audience--"If Mansfield Senior High School had had graduation exercises tonight, they would have had a speaker. I was directed to the wrong school. Not being familiar with your lovely community, I ventured too far east and when I asked directions to senior high school, I was directed to the wrong school." With these words, the fastest and shortest graduation address on record began. Mr. Edmund's closing remarks will be remembered by the graduates for years to come. "Give a man a fish and he will live for one day, teach a man to fish and he will live out all his days."

The Annual Staff will long remember the events of 1965-66, and we hope that by keeping the quotation in mind "A picture is worth a thousand words," we have imprinted on your minds memories that will last forever.

We wish to thank the many people who made the annual possible. Mr. Casad for letting people out of classes for the taking of pictures, and for his consideration; Mr. Rummel for his cheerful words of advice which relieved the tremendous pressures that fell on our shoulders; Mr. Smucker and Mr. Seat for printing the pictures in this annual; Mr. Parks who advised the staff on many journalistic problems; and last, but not least, is Mrs. Layne who so willingly gave of her valuable time to advise the Annual Staff.

A special "thank you" to Connie Slingluff, Helen Chase, and Nancy Burris for going beyond their assigned duties to spend numerous hours on this yearbook; and Judy Potter who so graciously and willingly spent much time at the typewriter.

These people and many, many more helped to make the '66 Onarama a success and a "treasure chest" of memories.
